Department of Chemistry

Report on Extension Activity

The Department of Chemistry held an Extension Activity on **Wednesday 24/03/2021** at Govt. Primary & High School Prakashnagara north-2, Bangalore-21. The activity aimed at creating awareness about **Food Adulteration** of eatables of daily life amongst the students. The Department of Chemistry has given an informative talk on the above mentioned topic under the guidance of HOD of Chemistry and Convener of Extension activity committee HOD of Zoology. The activity has accompanied by Faculty members of Chemistry Department, about 55 students and Staffs of the School were benefitted by active participation in interactive sessions which were highlight of the program.

Lecture Session & Student Interaction
